

Green Flash Brewing

Project Overview:

Green Flash Brewing, working with The Miller Group, transformed their extensive outdoor patio into a spectacular beer haven! This large event space allows for a first-hand Green Flash Experience for the freshest beer in the beachy resort town of Virginia Beach. Structureworks helped finish the Beer Garden with a radius Trex Pergola providing an architectural focal point like nothing else can! The expansive pergola kit is complete with retractable canopies for varying sun protection. Events, tours and fun will be had by all Green Flash fans in this brand new outdoor space! Beer drinkers rejoice!

 Winter, 2016

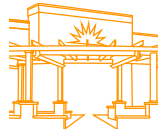

Pergola Specifications:

Freestanding Trex Pergola
155' wide x 26' projection
10" x 8' square fiberglass columns
Custom ColorLast Finish

Challenge:

Green Flash Brewing was looking for a functional statement piece with unique architectural appeal that would match the brewery's distinct style. Shade cover was important in the Beer Garden so guests could relax and enjoy themselves all day. Structureworks addressed the following challenges:

Varying sun and shade cover

Create a distinct style

Easy care & maintenance

Engineered for safety and high traffic use

Create functional outdoor area for large events

Solution:

Together, The Miller Group and Structureworks designed a stylish, low-maintenance, radius Trex Pergola with retractable canopies for varying shade and plenty of seating. There's tons of room for the whole family to have a good time in this expansive, shady, outdoor space.

Unique radius design

Retractable canopies for sun protection

Low-maintenance finish for easy upkeep

Fully engineered design

Expansive Trex Pergola to define space

Benefits:

Find awe-inspiring ales, food and shady seating! The outdoor Beer Garden at Green Flash Brewing Co. embodies a beachy, local feel with food trucks, rare beer selections, and an awesome outdoor buzz. During the day, guests spend time under the expansive Trex Pergola where canopies provide shade and a place to unwind. For evening fun, retract the canopies and the stars come out! Fire pits turn on to provide a glow and warmth into the night. The low-maintenance shade structure draws beer drinkers out to soak in the Green Flash experience adding an architectural center piece that brings people together and completes this local favorite.

Since 1990, Structureworks Fabrication has been designing, creating and hand finishing beautiful outdoor structures using premium components. Using proven engineering practices, innovative designs and advanced manufacturing techniques, Structureworks has become the leading producer of pergola kits for residential and commercial outdoor living environments. By controlling design and manufacturing we are able to ensure the quality of every product as a primary function of what we do.
